Introduction

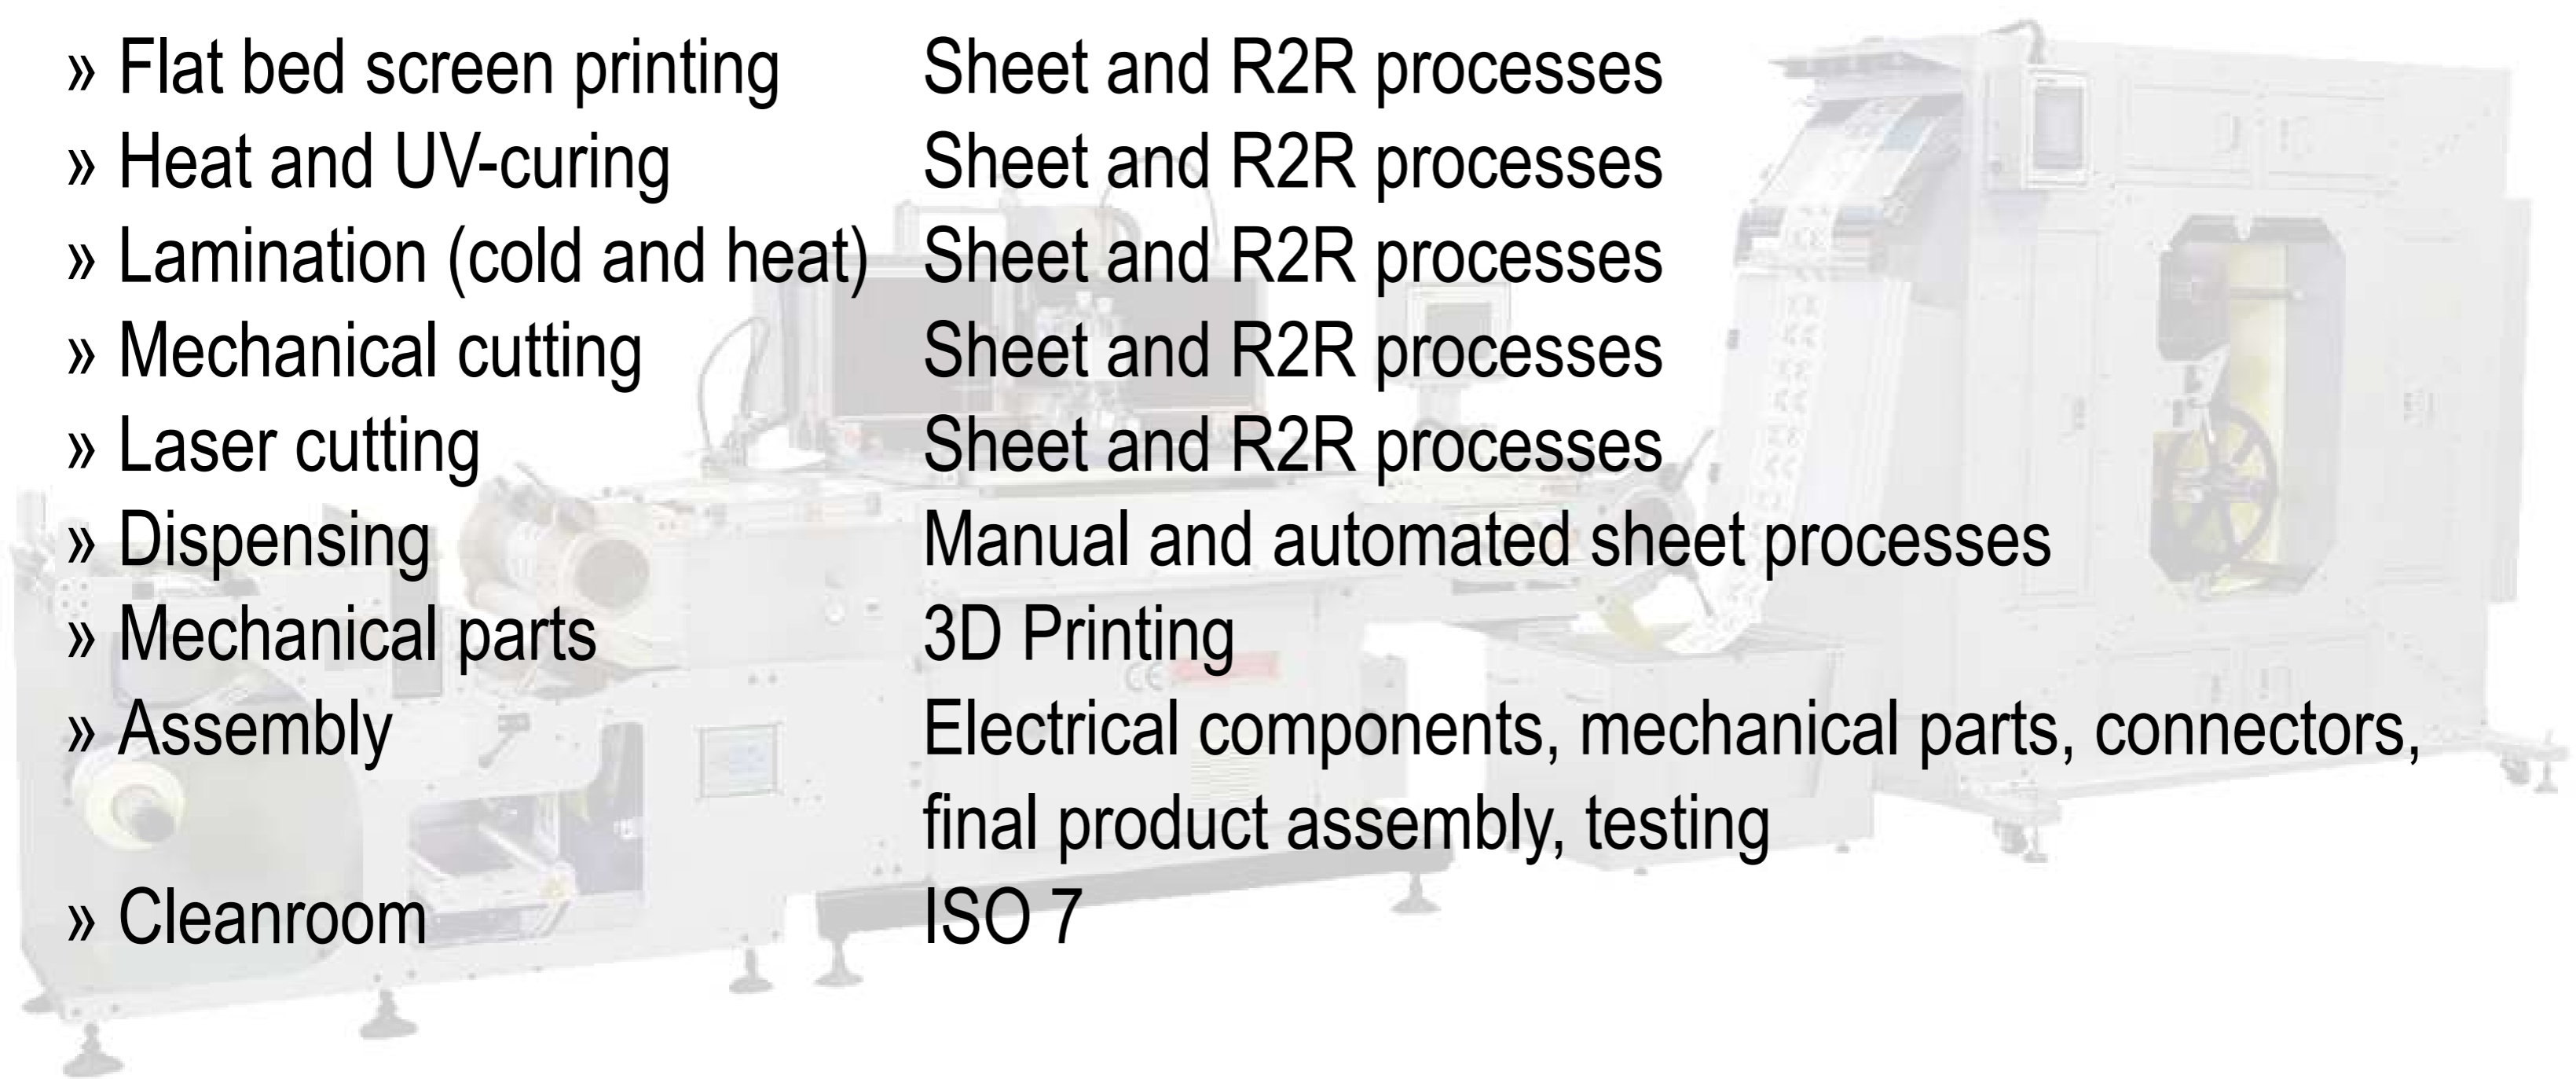

» Medical electrodes

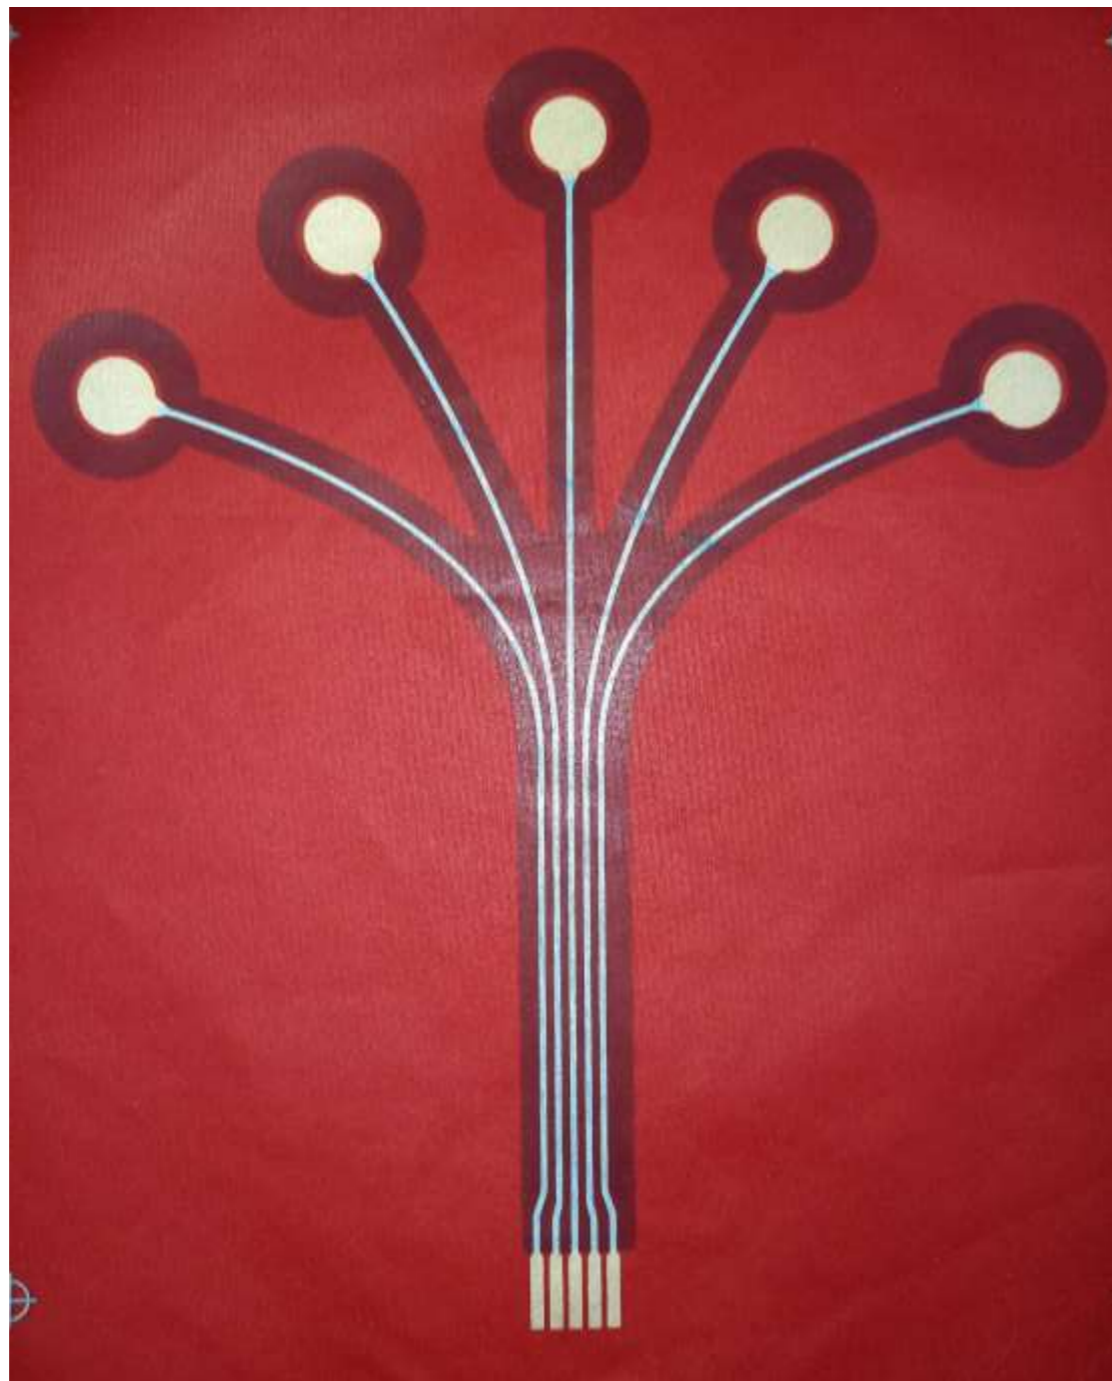

Introduction

- » Flat bed screen printing Sheet and R2R processes
- » Heat and UV-curing Sheet and R2R processes
- » Lamination (cold and heat) Sheet and R2R processes
- » Mechanical cutting Sheet and R2R processes
- » Laser cutting Sheet and R2R processes
- » Dispensing Manual and automated sheet processes
- » Mechanical parts 3D Printing
- » Assembly Electrical components, mechanical parts, connectors, final product assembly, testing
- » Cleanroom ISO 7

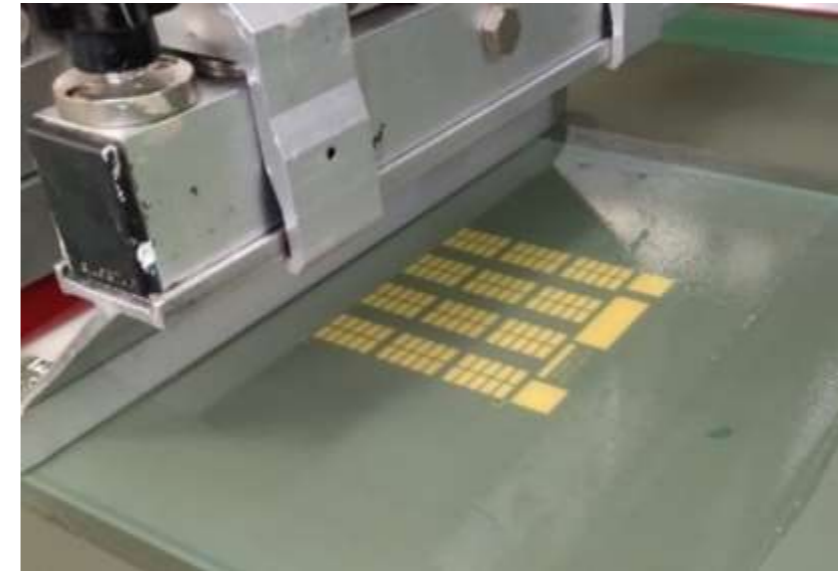

Textile printing
